

Plan C (otherwise known as Plan Covid-19)

Due to the Corona Virus restrictions, the SVC Board of Directors has decided that it would be best to postpone all chapter meetings until further notice.

Also, this year's membership renewals (7/01/20 – 6/30/21) will be bypassed and all current memberships will be extended for 1 year, so please disregard the membership invoice you received earlier this week.

We have reached out to the American Payroll Association for guidance on the Year-End Conference and expect to receive information shortly.

Please be assured that our chapter is strong and together we will get through these trying times, because after all...

“WE” are Essential,
“WE” will **S**urvive,
“WE” are **V**ital,
“WE” are **C**rucial,

...”WE” are PAYROLL PROFESSIONALS!

SVC members, please be wise – stay safe & Payroll On!

Thank you for your patience.
SVC Board of Directors
